

## **Brief Description of Amendments to the Cerner Corporation Global Code of Conduct**

- On September 10, 2019, Cerner Corporation's Global Code of Conduct was updated to reflect certain technical, administrative and other non-substantive amendments, including modifying the introductory letter to associates; adding our associate behaviors; removing certain provisions within our Global Code of Conduct that apply to our business partners because such business partners are expected to comply with our Supplier Code of Conduct; and supplementing our FAQs with fact patterns that are relevant to Cerner associates.

The full text of our Global Code of Conduct (and any amendments thereto) can be found on our website at [www.cerner.com](http://www.cerner.com) under "About Cerner, Leadership, Corporate Governance."
